

THE TX STUDIO

DETAILS

We can't wait for you to create in our space!

The following is a bit more information on our studios, our location, and a few shooting guidelines.

This guide is meant to help you create the best images possible and remove any hindrances or distractions that may get in your way.

LOCATION

We are located in Oak Cliff, in the historic Tyler Station Building. We're on the south side of the building. Once you cross the DART tracks on Polk, take the second left and you'll see our logo on the building.

1300 S. Polk St. Ste 175
Dallas, TX 75334

RESERVATION

The first time you use one of our studios, we'll be there to unlock the doors and show you the ropes. Any appointment after that, we'll have the door unlocked for you before you arrive. Whichever studio you rent, you will have complete privacy for you and your clients.

STUDIO I

Just over 900 sq. ft. of space to create in. In the afternoons, golden light floods through our smaller, western facing windows.

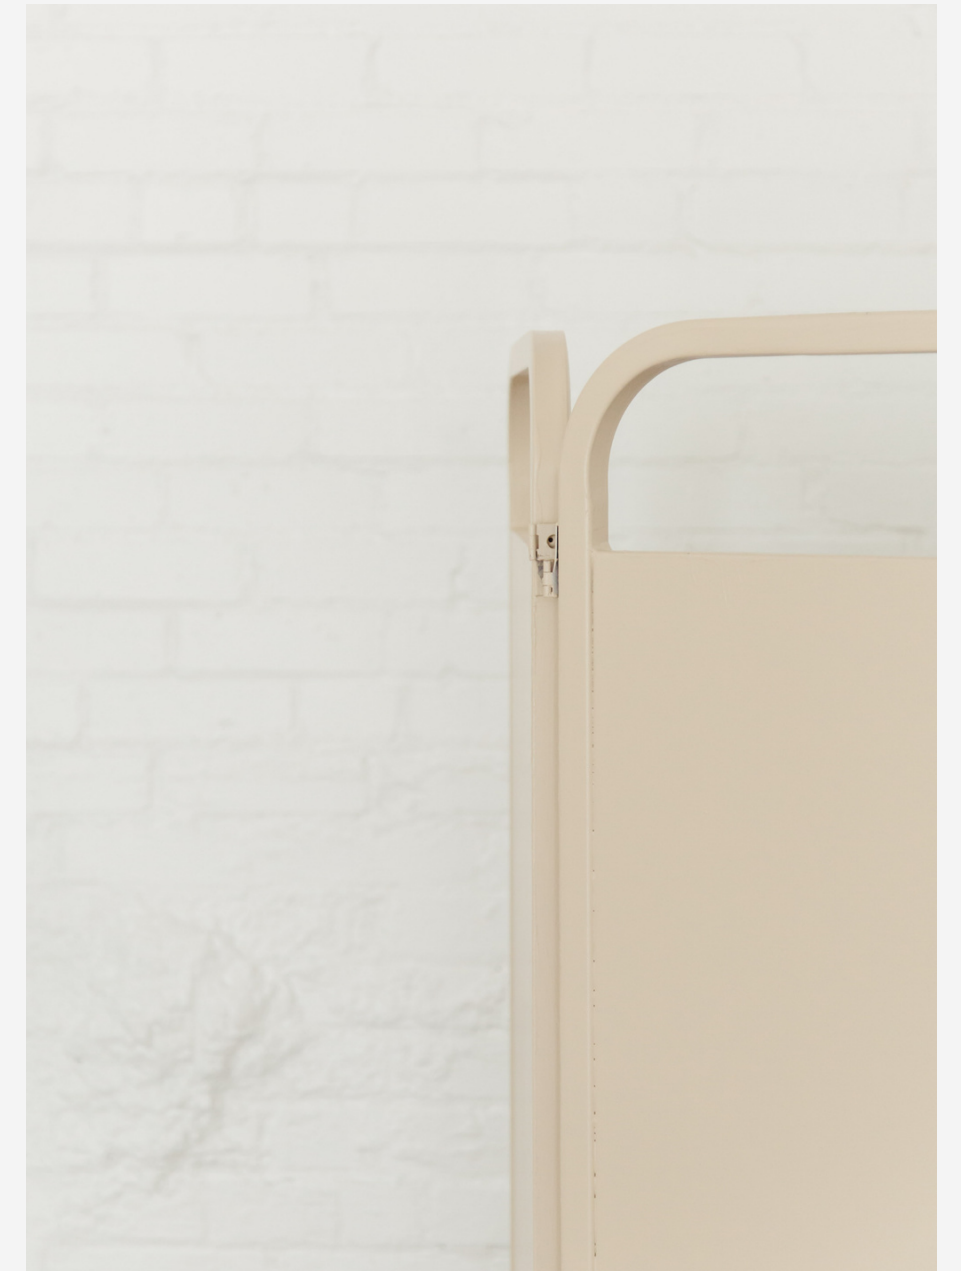

Strong light during the winter months can be controlled with our custom scrims or manipulated for high contrast photos.

One large south facing window allows for even, soft light and blank space in the east and west walls allow you to manipulate the light in multiple ways.

STUDIO I

Special equipment included: 8x8 ft. rolling backdrop, a changing screen, and steamer.

STUDIO II

Approximately 900 sq.ft., Studio II is equipped with two entrances (one exterior and one interior) and a load-in dock. Our glass door separates you from Studio I and a custom curtain offers you privacy.

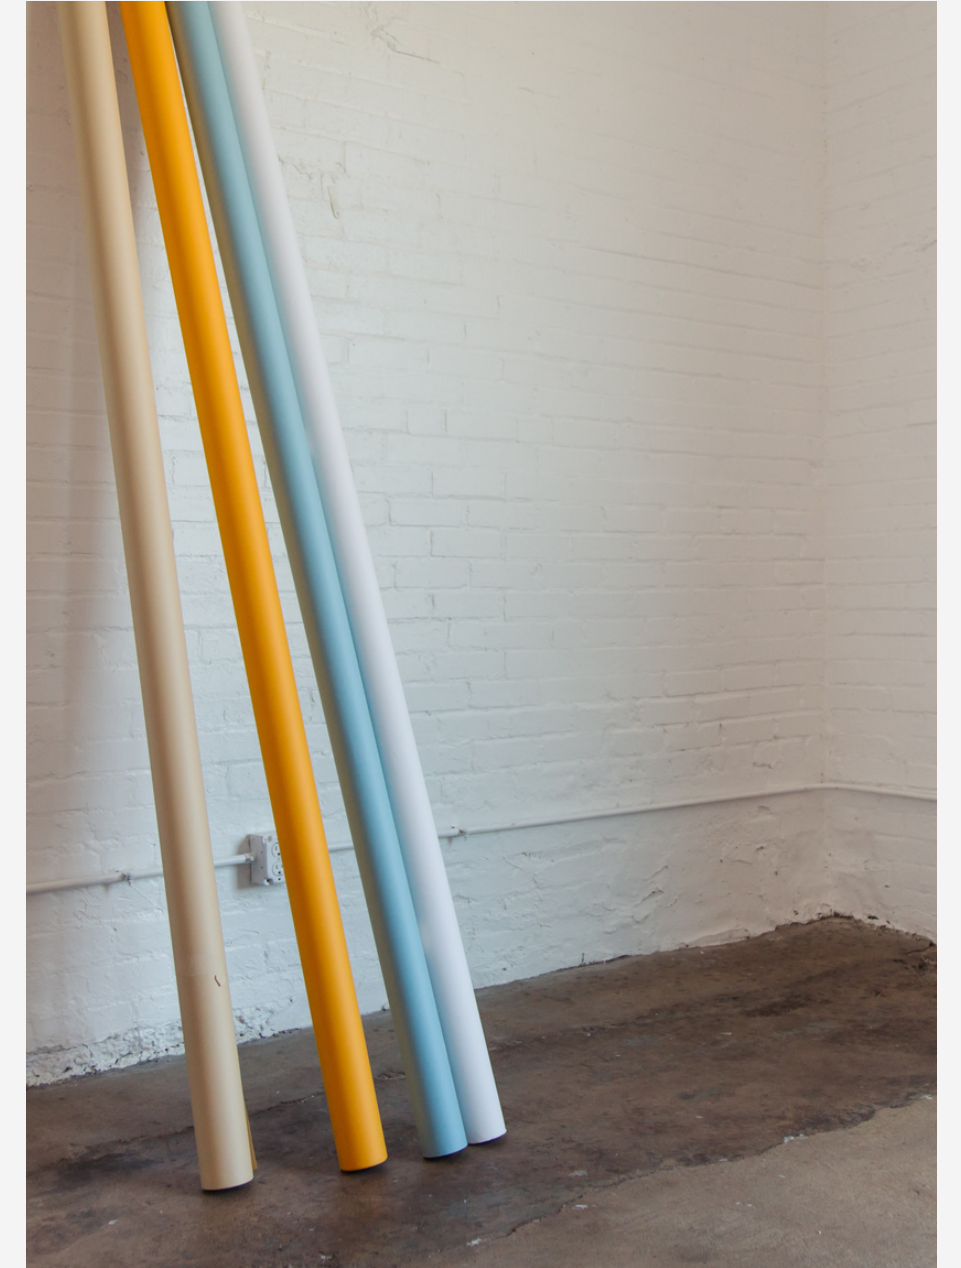

Our large, eastern facing window is perfect for dramatic lighting or can easily be manipulated to create soft, even light.

This studio makes it easy to transport what you need for large and small projects.

STUDIO II

Special equipment included: tabletops for shooting products and a changing screen.

RENTAL EQUIPMENT

Rental equipment available: Our custom canvas Oliphant Backdrop, Profoto Light Kit, and the Quasar Lamp. Reserve any of this equipment and we'll make sure it's ready in the studio when you arrive.

VIDEO SHOOTS

We love having video shoots in our studios!

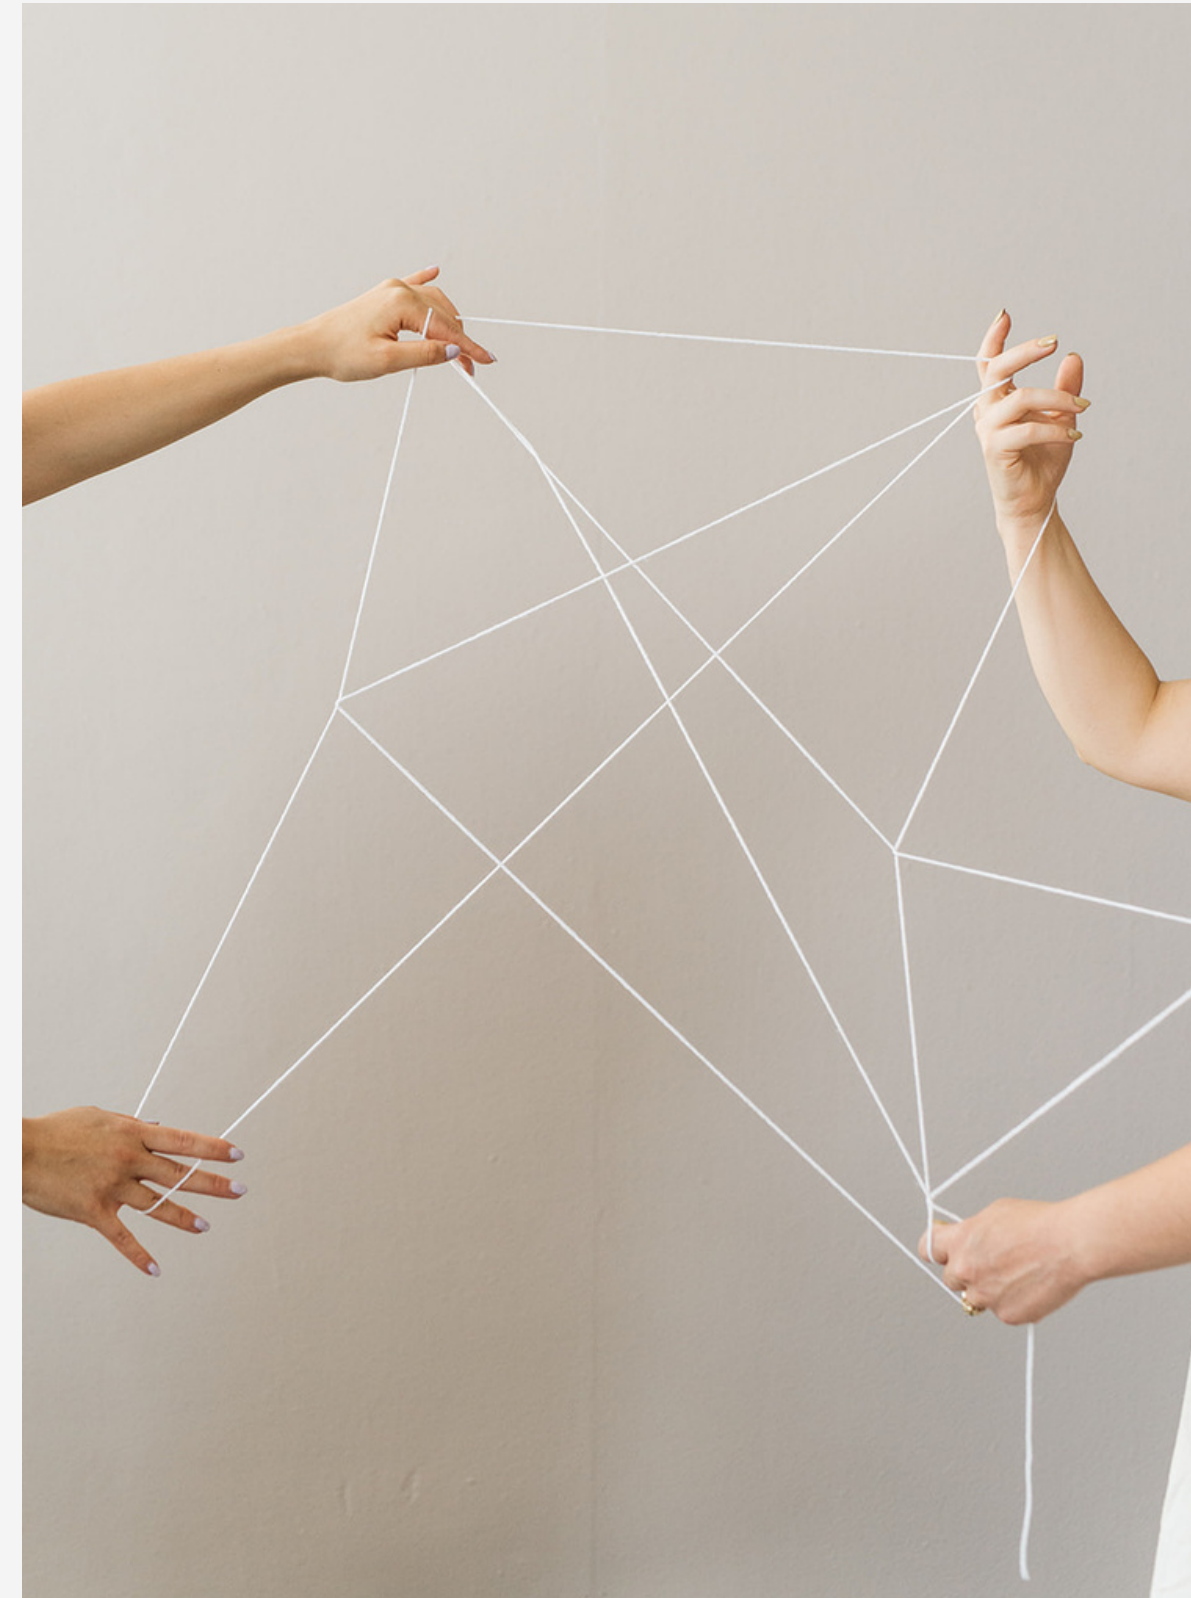

If you are shooting video and need to control sound quality, we highly recommend you reserve both studios at the same time.

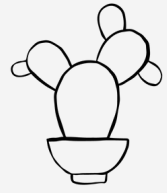

You may arrive 15 min. early for your shoot, but if there is a shoot before you, we ask for you to wait to enter until your scheduled time.

Please place all props/equipment back in the original location, place trash in trash bin or carry to larger trash bin outside of Tyler Station, take all personal belongings with you, and turn off the lights.

Please be courteous of shoots after you and make sure to exit when your reservation time is up. We'll lock the doors behind you!

REMINDERS

Prep and cleanup are included in your reservation time. Book enough time for clean up.

We do not allow glitter or confetti. If you need a broom or vacuum, please bring your own.

We are not an event space. If you have more than 15 people in your party, please book both spaces.

To view all of our policies, please visit our website!

Oak Cliff Brewing Co. is also located in Tyler Station. Their taproom is open Wednesday - Sunday.

Located on Jefferson Blvd. about 5 minutes from the studio. They serve coffee, pastries, and lunch.

The perfect place to pick up breakfast tacos on your way to the TX Studio.

The Salty Donut is located in Bishop Arts and is a family-owned, artisan donut shop that focuses on chef-made, small-batch, craft donuts that rotate based on seasonality

Tribal All Day Cafe is located in Bishop Arts and is a great option for healthy lunches.

Eno's Pizza is located in Bishop Arts and serves up some of the best pizza in town. A fan favorite for lunch.

LY FOOD MARKET

Best Thai food in Oak Cliff. Located in a small, Asian market about 15 min. from the studio.
